Slim Cover for BlackBerry® Curve™ 9220, 9310 and 9320 smartphones

Especially thin hard cover

Slim Cover is a very thin case that snaps right over the back panel offering protection for your BlackBerry smartphone without adding any bulk. Made of impact resistant hard plastic, the case follows the shape of the device for a perfect fit. The case has a discrete pattern that adds style to your smartphone. There are openings for all smartphone ports and buttons, allowing you full usage of the phone without removing it from the case.

The Built for BlackBerry program is a partnership between Research In Motion® and selected partners. These partners will develop accessories and peripherals specifically designed to work with BlackBerry® smartphones and the BlackBerry® PlayBook™ tablet. Built for BlackBerry accessories will meet a high level of quality and are designed specifically for your BlackBerry smartphone or tablet. These accessories can also leverage advanced features that integrate your accessory and device in new ways.
